*Teaching Point:* Emphasize the phrasing in B 9-12, with two measures for the turn and two for the falling back. The goal is to move the inside dancers (current heads) out into side places and the side dancers into the middle ready to fall back into head places.

Debbie Jackson

MUSIC: “Silver Lining” by Debbie Jackson. Regarding the title of this tune, Debbie writes that after Robin Hayden's unfortunate car accident in 2012, she learned that Robin was going to call her new car "Silver Lining". She wanted to give Robin a gentle 3/4 tune good for many miles, long before the movie Silver Linings Playbook launched!
