

Did you know that:

- 1. Very few vets get all the money for college they are promised.**
- 2. As high as six out of ten vets return from Iraq with Depleted Uranium poisoning.**
- 3. Your school is supplying the Pentagon with your name, grade and phone number so that recruiters can call you. You can fill out a form to stop this.**
- 4. The military has no obligation to give you all the great training they offer. Their needs come first by law.**
- 5. You can get out of a delayed entry agreement you have already signed.**
- 6. 30% of women have reported a rape or attempted rape in the military. 75% have reported sexual harassment.**
- 7. One out of four homeless men are US veterans.**
- 8. Killing another human being leaves you with emotional scars for the rest of your life. Fighting a war against a civilian population in Iraq is even worse.**
- 9. The government is continually cutting back on veterans' benefits, even for those wounded in Iraq.**
- 10. There are things you could do now to become a conscientious objector before the draft is reintroduced.**
